

Wine Club Fall Release

OCTOBER 2023

Message from the Doffo Family

Happy Fall, Wine Club Family!

We are grateful to share yet another harvest season with you all. As the days start to cool slightly, we enjoy watching the vineyard display beautiful colors and remind us that during this season there is both bounty and room to slow down.

Thanks to all the winter rains and some spring showers we had a later start to harvest than usual. The grapes took a bit longer to ripen, allowing for more “hang time.” As I write this we have already harvested this year’s Viognier, and as my father put it, “it’s incredible!” If you know our dad Marcelo, you know his face lights up when he speaks to the flavors that the grapes produce as they turn to wine. This time of year is his favorite because he gets to share the process with members and visitors to the winery. If you happen to catch him in the tasting room he may give you a sneak peak of the fermentation process and encourage you to follow him back to “try the juice.”

That being said, we are also excited about the new releases that have already transformed from juice into incredible wine. We can’t wait for you all to try the new 2021 Private Reserve Cabernet Sauvignon. Robust in flavor and well balanced, this wine will be a great choice to pair with your holiday meals.

Also included in this fall shipment is the 2021 vintage of our Malbec, a family favorite. Malbec is a varietal that always offers your palate a pleasant surprise. With balanced acidity and a brilliant color, this wine can be enjoyed with your favorite charcuterie or any great cut of beef.

As we approach the holidays, we are overwhelmed with gratitude for all of our wine club members. Your continued support allows our family to continue pursuing our passion of producing exceptional wines. We hope your holiday season is filled with joy and laughter as you come together to enjoy these special wines, and we look forward to closing out the year with you all.

***With gratitude,
Marcelo, Samantha, Brigitte and Damian***

Wine Club Changes

Important Changes to the Doffo & MotoDoffo Wine Clubs

Our wine clubs serve two very important functions. First, the clubs are a way for the people who love our wines to receive our latest releases throughout the year. Second, they reward those people for their support and loyalty in the form of specially discounted member pricing on wine, merchandise and event tickets, tastings or glasses of wine when visiting, and in the case of our Legacy club, those benefits increase over the first three years.

In an effort to continue delivering our wines and offering member savings, we have decided to make a few changes to our club membership offerings.

- The MotoDoffo Wine Club and the Doffo Heritage Club will be combined into a single club: the MotoDoffo Heritage Club. Members of this club will receive 2 bottles per shipment, and will be able to customize their selection to receive the wines they want.
- New shipment months are as follows:
 - MotoDoffo Heritage Club: January, April, October
 - Legacy Club: February, May, November
- We are adding a fourth shipment to the annual schedule, featuring a limited production members-only wine (MotoDoffo Heritage in July, Legacy in August)
 - Existing members will remain on the 3-shipment schedule by default

If you would like to continue receiving the three standard shipments each year, then you do not need to do anything. You are grandfathered in and your club experience will largely remain the same, with the exception of the Fall MotoDoffo Heritage shipment moving to October, and the Fall Legacy shipment moving to November.

If you would like to update your membership to the new 4-shipment schedule, simply email our wine club team at wineclub@doffowines.com and let us know. For complete details on the new 4-shipment wine club format visit www.doffowines.com/wine-club.

Were you a Dual Member?

Dual Members were members of both the MotoDoffo club and either the Heritage or Legacy club. Since we are combining the MotoDoffo and Heritage into a single club, there will no longer be Dual Members. Instead, we encourage you to opt-in to receive the 4th shipment so you can continue to enjoy a fully-stocked selection of Doffo and MotoDoffo wines!
