# HAPPY NEW YEAR, WINE CLUB FAMILY!

We hope your holiday season was filled with joy, laughter, and perhaps a bottle or two of Doffo wine shared with loved ones. As we step into 2025, we raise a glass to new beginnings, cherished traditions, and of course, exceptional wines.

Here in Temecula, winter has brought a crisp chill to the air, and our vineyards are taking their much-needed rest during this dormant season. But while the vines sleep, the work at the winery continues with enthusiasm. The music of winemaking never stops, and we're excited to share our latest selections that are sure to delight your senses and warm your hearts this winter.

## A NOTE OF GRATITUDE

As we reflect on the past year, we are filled with immense gratitude for your unwavering support and loyalty. It's your encouragement that fuels our passion and keeps us inspired to craft exceptional wines. From our family to yours, thank you for allowing Doffo to be a part of your celebrations and memories.

Here's to a fantastic 2025, filled with shared moments, treasured traditions, and extraordinary wines. Even from afar, we are honored to grace your table and be a part of your lives.
